

# NHL Star Players Doing A Good Deed

Maple Leaf Tournament  
August 6, 2019 at Linna Golf

Come and play golf with hockey legend Jari Kurri, current and former NHL stars, and other famous Finnish hockey personalities, all for a good cause. With this Maple Leaf Tournament, we are raising funds to help secure the continuation of the Finnish language and culture program at the University of Toronto, Canada.

This unique charitable initiative is the brain child of Jari Kurri and former Prime Minister of Finland Esko Aho. We invite you and your company's customers to an exceptional golf experience for a most worthy cause.

Already last year, Vanajanlinna in Hämeenlinna, Finland, offered exquisite conditions for the first Maple Leaf golf tournament. The tournament culminated in a heart-warming prize award ceremony where the stellar result, a donation of more than CAD \$50,000 for Finnish studies at the University of Toronto, was proudly announced.
